

January KS2 Reading Challenge

This month we would like you to create a model or drawing of your favourite book character.

Think of a story you have recently read or you always come back to.

What is it about the story that you enjoy? Do you like the main character? What is it about the main character that keeps you interested and wanting to read on?
How do you relate to the character?

For your reading challenge, draw a picture of this character or create a model of them. You may like to create your character out of recycled bits around your home.
Get creative!

If you're unsure, you could choose a character in the images below.

**Give your entry to your class teacher by 31st January
Winners will be announced on the 7th February**
