Message from the Headteacher

Welcome back

The children are settling back into school life really well and are enjoying being back with their friends. Thank you for all your help reassuring and settling the children back into school. They all look very smart. Skye was very excited to see the children; she has been looking for them all holiday! We have been very impressed with the way in which Year 3, Year 1 and the new Reception pupils have settled into the school. They all seemed quite confident and happy again today. Thank you for doing all the home learning projects with the children, they looked impressive.

We will be sending reading books home as soon as possible and we aim for every child to have a reading book and task by the middle of next week. Homework will also be starting next week too. Library books will also be coming out too.

Don't forget that you can email the class teacher directly as well through as the school office. A list of the emails is included in this newsletter. Please allow 24 hours for a response as the staff are teaching all day. Any urgent communication should be through the school office or briefly at the classroom door.

Please see a reminder of the school day timings below, they are different across the school sites.
