Message from the Headteacher

As the autumn term comes to a close, I wanted to take a moment to reflect on what has been an exciting, busy, and rewarding term at Wellington Primary.

We've packed so much into the past few months, from memorable school trips and educational visits to in-school events that have enriched learning and strengthened our school community. These activities have not only enhanced the children's learning but have also brought so much joy and enthusiasm to the school.

Another proud moment for us all was our fantastic Ofsted visit earlier this term. We were delighted with the outcome, which recognised the hard work, dedication, and commitment of our staff, pupils, and families. Thank you for your ongoing support, which has been instrumental in helping us achieve such positive recognition.

Looking ahead, the new term begins on **Monday, 6th January 2025**, and we are already planning another exciting term of learning and opportunities for your children.

Over the holidays, we are providing optional project homework. We understand that this time of year can be particularly busy for families, so please don't feel pressured to complete it—this is entirely voluntary and intended to offer something creative and engaging for children who wish to participate.

Finally, I would like to thank you all for your support throughout this term. Your encouragement and involvement make such a difference to our school community. On behalf of all the staff at Wellington, I wish you and your families a joyful, restful holiday season.

We look forward to welcoming everyone back in January for another exciting term ahead.
