

October Reading Challenge

Join our exciting **Reading Challenge** this month as we celebrate **Space Week** and **National Poetry Day**! Dive into the wonders of the universe by creating your own **space-themed poem**. Whether you prefer the rhythmic flow of a rhyming poem or the creative structure of an acrostic, let your imagination soar through galaxies, stars, and planets. This is your chance to explore the cosmos through words, blending your love for reading and writing with the vast mysteries of space. Grab your pens, look to the stars, and let the universe inspire your creativity!

Bring your entry in by Monday 21st October!

SPACE POEM
S parkly stars
P lanets everywhere
A liens saying hi
C omets zooming fast
E arth so far away

S pace is so wonderfu
P luto is a dwarf planet
A stronauts are brave
Crazy Scientists are up in space
E xcellent people go to the moon
