

Wellington Primary

School Council Dates 2024-2025

The School Council meets every month to discuss issues raised by the children and ideas to help improve our school even further. The Chair, Vice Chair and Secretary also attend Full Governing Body meetings throughout the year, to review school improvements and identify areas to develop further in the coming year. We believe our School Council are very effective in helping bring about positive changes in the life of our school!

If you have any ideas or suggestions to help improve our school, please see your class council reps, who will bring your suggestions to the school council meeting.

Article 12:
Every child has the right to say what they think should happen and have their views listened to.
