

# September 2024

## KS2 Reading Challenge

This month we would like you to compare two of your favourite characters.

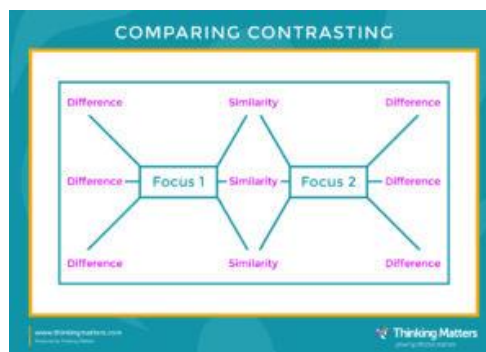

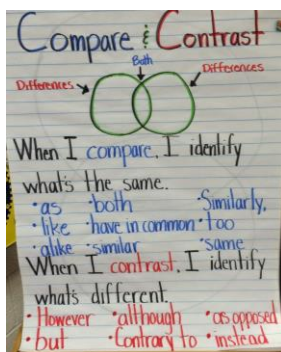

Think of two different book characters you have recently read about - maybe they are in the same book or in different ones.

What are the similarities and differences between the two characters?

If I were to compare Harry Potter and Malfoy I could find a number of differences between the two characters. I would think about their **appearance**, **personality** and their **lifestyle**. I could also think about the **decisions** they make in the text.

This month, we would like you to create your own poster about the similarities and differences between your two chosen characters

Character Name: \_\_\_\_\_ Story: \_\_\_\_\_

Character Name: \_\_\_\_\_ Story: \_\_\_\_\_
