

June

## KS2 Reading Challenge

This month we would like you to create a Story Box diorama.

What is your favourite story? What scene would you like to recreate and why?

Read the description of your favourite scene. What has the author written about the scene that you can attempt to recreate? What details have been added that could make it obvious what your scene is?

On the outside of your box make sure to write a brief synopsis of the scene that you are recreating.

You will need:

A cardboard box/shoe box

- Craft materials
- Your favourite story book

Think about what you can use in your home that you can reuse/recycle for your diorama.

Remember to write your name and class name on your box.

Bring your entry to your class teacher by 5th July 2024  
Winners will be announced on the 12th July
